**DOE/NNSA CONTRACT NO. DE-AC52-06NA25946: AUTHORIZATION TO PURCHASE FROM GOVERNMENT SUPPLY SOURCES**

DOE/NNSA Contract No. DE-AC52-06NA25946 is a cost-reimbursable Management & Operating contract with operational responsibility for the Nevada National Security Site (formerly the Nevada Test Site). The original contract period was July 1, 2006, through Sept. 30, 2011, plus five (5) one (1) year award term options. Based on earnings of five of the available Award Term years, the contract was extended through Sept. 30, 2016. However, on Sept. 12, 2016, a modification to the contract was executed that extended the period of performance by four months (i.e., through Jan. 31, 2017). On Jan. 5, 2017, an additional modification to the contract was executed that extended the period of performance by four months (i.e., through May 31, 2017). On May 16, 2017, an additional modification to the contract was executed that extended the period of performance by one month (i.e., through June 30, 2017). On June 19, 2017, an additional modification to the contract was executed that extended the period of performance by three months. As a result, the current contract expiration date is **September 30, 2017**.

The contract contains Federal Acquisition Regulation clause 52.251-1, Government Supply Sources. As such, National Security Technologies, LLC (NSTec) is hereby authorized to purchase materials, supplies, equipment, and non-personal services required for performance of work under Contract No. DE-AC52-06NA25946 from the following Government supply sources:

- General Services Administration (GSA)
- GSA Federal Supply Schedule (FSS) contracts
- Federal Prison Industries, Inc.
- Any Government agency having excess personal property available for transfer, and any other sources made available via the GSA SmartPay Purchase Card Program.
- NASA SEWP V contract (Note: The authority hereby granted is not to be transferred or reassigned.)

Any order issued under FSS contracts and for GSA stores stock will be placed in accordance with FAR 51.103. The effective date of the approval is July 1, 2006, the contract start date.

This authorization to purchase from the Government supply sources does not negate the requirements set forth in our contract which may require prior written approval or consent from the Contracting Officer.
